## INDEX GUIDE

This index provides a detailed analysis of legislative debates conducted in English or French as spoken by the participants. Translations are not provided in either language.

Effective with the opening of the Second Session of the 35th Parliament, Hansard issues and pages are numbered according to session, rather than calendar year. A list of issues, dates and page numbers for the Second Session is on the next page.

Entries are cross-referenced and alphabetically arranged in two sections:

**Subject index**—The main entry in this section is a subject heading which may be followed by: secondary headings, “see” references, or a listing of members who spoke on the subject. Subject headings (e.g. Adjournment of House, Quorum calls) that require neither secondary headings nor speakers are followed by page numbers only. Typical entries in the subject index appear as follows:

Reports, standing committees  
Administration of justice 2468; Estimates 633.  
Toronto Blue Jays  
(See Sports/athletics)  
University, International Space  
Mammoliti 664; Philip 664.  
Visitors, introduction of  
6, 9, 20, 40.

**Speaker index**—The main entry in this section is a member’s name followed by a listing of subject/s spoken on by that member.

This index also includes **lists of bills** introduced during this session as well as bills carried over from the last session. They are listed alphabetically and numerically with a chronology of their stages of development.

Further information may be obtained by contacting the Hansard Reporting Service indexing staff at 416-325-7411 or 325-3708; FAX 416-325-7430

## GUIDE DE L’USAGER

Cet index croisé présente une analyse détaillée des débats législatifs en anglais ou en français selon la langue parlée par les participants.

Avec l’ouverture de la deuxième session de la 35<sup>e</sup> législature, les fascicules Hansard et les pages seront numérotés selon la session au lieu de l’année civile. Le bilan des fascicules, des dates et des pages de la deuxième session figure à la page 3.

Les entrées d’index sont inscrites dans un ordre alphabétique sous deux rubriques:

**L’index de sujets** : l’entrée principale sous cette rubrique est un descripteur qui peut être suivi par des sous-titres, des références à d’autres sujets ou les noms d’intervenants, tels que:

Heures d’ouverture des commerces de détail  
Rae 1045  
COFAM (*voir* Conseil ontarien de formation et d’adaptation de la main-d’oeuvre)  
Pétitions  
Conseil scolaire de la langue française  
d’Ottawa-Carleton, financement 3995-7

Certains descripteurs, comme par exemple l’ajournement du débat ou l’appel du quorum (dans l’index de langue anglaise), n’exigent ni sous-titres ni noms d’intervenants et sont simplement suivis d’une référence de page.

**L’index d’intervenants** : le nom de l’intervenant suivi par une liste de sujets sur lesquels il ou elle s’est prononcé(e) est la principale entrée sous cette rubrique.

L’index contient aussi, par ordre alphabétique et numérique et avec une chronologie des étapes de lecture, **une liste des projets de loi** présentés au cours de la présente session, ou d’anciens projets de loi qui restent encore à passer aux étapes de lecture.

Vous obtiendrez de plus amples renseignements auprès des employés de l’index du journal des débats en composant le 416-325-7411 ou le 325-3708; TÉLÉCOPIEUR : 416-325-7430.

Nous ajoutons donc, dans cet index-ci, les lettres A, B et C à ces pages désignées dans les numéros 59, 60 et 61 pour les distinguer.
